Young Value Creators Circle

Get Incubated at NHVPS-BSK

NHVPS-BSK Young Value Creators Circle is an incubator of innovation, leadership, and value creation, where you get prepared to be the next Unicorn.

Our Young Value Creators Circle combines academics, hands-on learning, entrepreneurship and real-world exposure from industry professionals. A hub for bold thinkers and innovators, the Young Value Creators Circle at NHVPS-BSK equips you with the mindset to question, create, and lead with confidence in a world that never stands still.

Create Value

You're not just a student—you're a young value creator. The Young Value Creators Circle is built for you—the bold, the curious, the ones who ask why not? Whether you dream of launching a startup, leading a business, or driving impactful change, this is where you begin.

Here, you don't just learn. You create value for the State and the nation!

Learn from the Best

Gain insights from industry mentors, CEOs, and startup pioneers.

Experience Real World Impact

Engage in internships, business simulations, and innovation challenges.

Build and Lead

Develop critical thinking, problem-solving, and leadership skills to stand out as a young value creator.

Create new value, new jobs, and new opportunities. Solve real-world challenges and connect with industry leaders who've built the future from the ground up. Gain hands-on experience through internships, business simulations, and startup incubations. Build the mindset, network, and skills to drive innovation and shape your future.

This is your time to **lead, build and innovate the future**. Get ready!

Why Become a Young Value Creator?

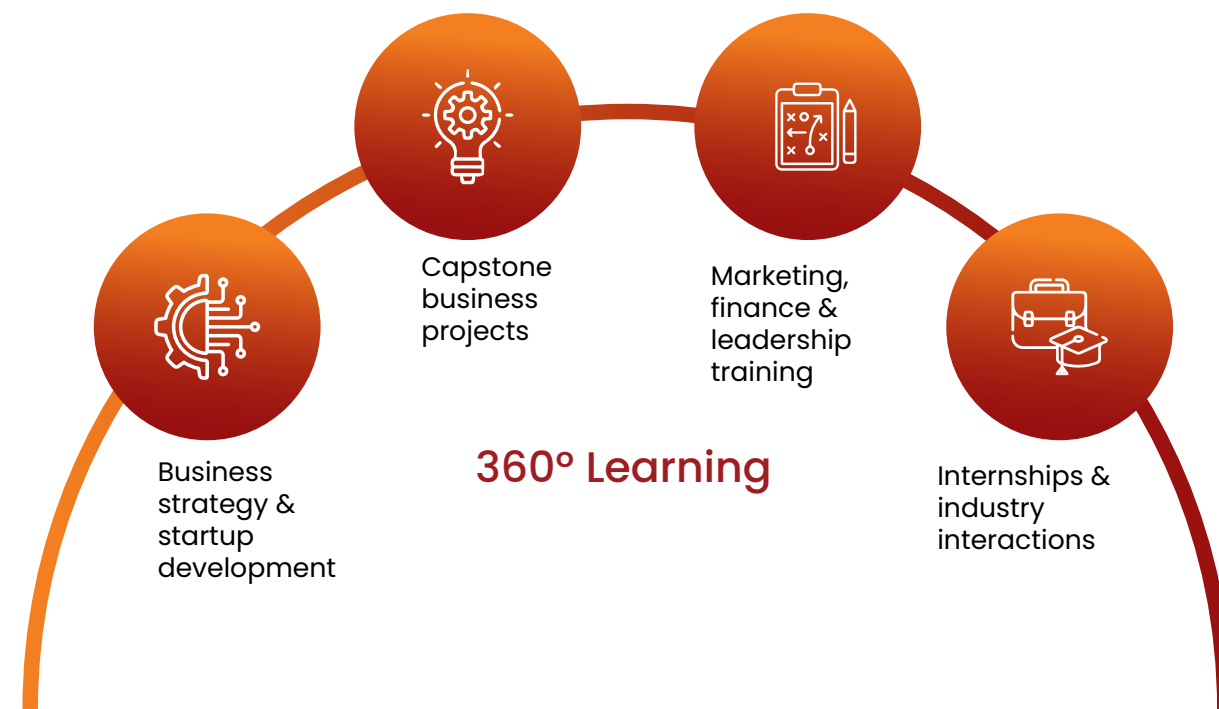

To lead the future, you must first learn to challenge the present. The **Young Value Creators Circle** equips you with the mindset to think critically, innovate fearlessly, and take bold risks. Here, you don't just study entrepreneurship—you **create impact**, solve real-world challenges, and develop leadership through hands-on experiences.

How Does the Program Work?

Designed for **thinkers, creators, and leaders** this dynamic curriculum blends **flexibility, theory, and action**. You'll gain **real-world exposure**, apply entrepreneurial principles in live projects, and shape ideas into tangible solutions.

Why Learn from the Best?

Success leaves clues, and here, you'll learn directly from **industry pioneers—CEOs, startup founders, and business leaders**. The **Young Value Creators Circle** connects you with the right mentors, networks, and opportunities to help you build business models, launch ventures, and turn ideas into reality.

Be Bold!

It is inspiring to engage with young minds who challenge ideas and push the boundaries of innovation.

–Industry Mentor & Visiting Faculty

At NHVPS, entrepreneurship is a mindset. With hands-on learning and mentorship, students become innovators, launching their own startups.
